Beyond the Barre PARENT SPOTLIGHT

CPDC welcomes Suzette Davison Beyond the Barre..

Read Suzette's
Q&A on the
next page!

Beyond the Barre w/Suzette Davison

1. Tell us a little about your dance family. Who dances, how old are they, and how long have you been part of CPDC?

Lily- 12 years old

This is Lily's 12th year at CPDC and her 7th year on Vibe. Her sister, Shelby, also attended rec classes at CPDC and danced all the way through college.

2. What has made CPDC the right studio for your dancer?

CPDC feels like a family. Lily feels supported by the amazingly talented teachers and from her teammates. The families are close at our studio and are considered our extended family. The teachers truly know each dancer and specifically what they need to reach their dance goals.

3. What is one way you've seen your dancer grow since starting dance, not just as a dancer, but as a person?

Lily has grown in her confidence, poise, organization skills, discipline, and goal-setting. She knows who she wants to be as a dancer and the path to get her there.

4. What is your favorite dance memory so far?

My favorite dance memory is watching the girls dance at Disney World. They represented our studio well and had tons of fun performing and learning the Disney choreo.

**5. What is your dancer's current favorite dance style?
Contemporary!**

6. Who is more nervous before a performance, you or your dancer?

Definitely me!! I want her to feel proud of her performance which is definitely stressful. I have to trust that she is well-prepared and that she can handle any situation that arises on stage.

7. What is one thing you tell a parent whose dancer is interested in auditioning for VIBE, CPDC's competition and performance company?

Vibe is a family! The girls love being on the team, improve so much as dancers, and learn how to work together and support each other. These families are my dear friends, and we're always here for each other for more than just dance. We enjoy doing life together.

8. Finish this sentence: "Our CPDC family is..."my chosen family. I love each of them and wouldn't be able to find a better group of families.
